

DUEX MAX

14.1" portable monitor

REF : MB-101-1007P04

EAN : 0850001446495

EXISTS IN : GREY

DESCRIPTION :

The DUEX You've Been Waiting For.

DUEX Max is our most upgraded, portable dual-screen laptop accessory that makes multitasking effortless. The iconic portable, external monitors complement mobile work, entertainment on the go, and everything in between.

STRENGTHS :

- **HYBRID SIGNALS**

Plug In, Power On.

- With a DisplayPort enabled USB-C port, the DUEX Max dual laptop monitor allows for high-speed video transmission and a plug-and-play experience packed into a single cable.

- **Large 14.1" Full-HD Display**

- DUEX Max features a larger 14.1" full-HD display that easily slides out to either side of your laptop. You'll enjoy the same 1080p resolution but with an 85% screen-to-body ratio so everything you see is crisp and clear.

- **Ensure Optimal Eye Comfort**

- Experience optimal color temperature and brightness that minimizes the emission of blue light from your second display. Work and play comfortably with less eye fatigue while reading, word processing, and more in low-light environments.
