Reinforced case with handstrap et kickstand

REF : UA-12339HB14040

EAN : 810070367992

EXISTS IN : BLACK, WHITE

DESCRIPTION :

Inspired by modern wanderers, we give you the Scout series. Minimalist look with complete coverage. Featuring a featherlight construction and impact-resistant core. Covered ports to further protect your device from unwanted dust or debris. The built-in kickstand transforms your iPad from a tablet into laptop mode or video viewing mode. Along with a functional and comfortable hand strap so you can work on the go. Medical grade wipe tested, meaning it will not compromise the condition of the case when using medical grade wipes. Perfectly suited for those that work on the go or in the field. Versatile and protective, this case is essential for your iPad.

STRENGTHS :

- Hand Strap. Covered ports. Works with UAG Shoulder Strap
- Impact resistant corners
- Medical Wipe compatible
- Built-in Kickstand. Apple Pencil storage

COMPATIBILITY :

iPad 10.9 (2022 - 10th gen)
