Bluetooth folio with AZERTY keyboard

REF : UA-124003114031

EAN : 810070369361

EXISTS IN : BLACK

DESCRIPTION :

THE RUGGED BLUETOOTH KEYBOARD WITH TRACKPAD BY UAG provides uninterrupted 360-degree protection. Thanks to its rugged and non-slip exterior, the keyboard demonstrates UAG's commitment to protection. With its Bluetooth connectivity, this keyboard offers a superior laptop-style typing and tracking experience, backlit keys, and is splash-resistant. The low-power Bluetooth connectivity allows your keyboard to operate longer on a single charge.
