The JBL Tune 520BT headphones deliver powerful JBL Pure Bass sound wirelessly, thanks to the latest Bluetooth 5.3 technology. Easy to use, this headphone provides up to 57 hours of pure pleasure, with an additional 3 hours of autonomy obtained in just 5 minutes of charging. Download the free JBL Headphones app and customize your sound through the EQ, while voice prompts guide you through the different features of the headphone. Manage calls, audio, and volume with the convenient button controls. If you receive a call while watching a video on another device, the JBL Tune 520BT seamlessly switches to your mobile, so you never miss a call. Lightweight and comfortable even after hours of listening, the JBL Tune 520BT headphones fold flat in your backpack to accompany you everywhere.

STRENGTHS :

- JBL Pure Bass Sound

The JBL Tune 520BT headphone is equipped with the famous JBL Pure Bass sound, the same sound that powers the most renowned venues around the world.

- Wireless Bluetooth 5.3 Technology

Stream high-quality sound wirelessly from your smartphone, without cumbersome cords, thanks to the latest Bluetooth technology.

- Customize Your Listening Experience

Download the free JBL Headphones app to adjust the sound to your liking with the EQ. Voice prompts in your language will guide you through the various features of the Tune 520BT headphones.

- Up to 57 Hours of Battery Life and Quick Charge (5 min = 3 hrs)

For extended listening sessions, enjoy wireless connectivity for up to 57 hours and recharge the battery in just 2 hours using the USB-C cable. A quick 5-minute charge provides an extra 3 hours of music playback.

- Hands-Free Calls with Voice Aware

Easily control the sound and manage your calls from the headphones with the convenient buttons located on the earcups. Hear your own voice when speaking with Voice Aware.

- Multi-Point Connection

Effortlessly switch between Bluetooth® devices. Easily transition from watching a video on your tablet to taking a call on your phone, so you never miss an important call.

- Lightweight, Comfortable, and Foldable Design

The lightweight materials and soft cushioned earcups with padded headband provide excellent wearing comfort for extended periods. Its foldable design allows you to easily carry your headphones and listen to music anywhere, anytime.

- Ask Siri or Say Hey Google

Siri or Hey Google is just a button press away: activate the voice assistant by pressing the multifunction button.
