

HIRISE PRO SILVER

Stand for iMac

REF : TW-TS-2265

EAN : 811370024967

EXISTS IN : SILVER

DESCRIPTION :

HiRise Pro is a beautiful, height-adjustable modern stand that boosts your iMac, iMac Pro, or external display, for reduced neck strain while working. To reduce desk clutter, the all metal stand doubles as a gear garage for hiding your wallet, AirPods, hubs and hard drives. Functional and beautiful, it is the only stand worthy of supporting current iMacs, the new iMac Pro and high-end 4K / 5K displays.

STRENGTHS :

- Internal storage for hard drives, personal items or excess cables
- Includes a double sided gunmetal / walnut grille to fit into any setup
- Padded vegan leather top valet for items like iPhone, keys, etc.
- Compatible with current iMacs, the new iMac Pro and high-end 4K / 5K displays (bases up to 9.5-inches by 9.5-inches)
