DESCRIPTION :

The latest smartphones feature dramatically more powerful camera systems. However, all this advanced technology amounts to nothing if you scratch or crack your lenses, leaving you with a permanent scar on future photos. With the PicturePerfect Camera Lens Protector, your camera and lenses are safe from accidental drops on stone-hard floors, bumps against sharp corners and the screeching kiss of keys in your pocket. And if you're worried about image distortion, you can rest easy: The camera lens protector doesn't in any way affect the clarity of your lenses nor the quality of your photos
