

FABRIC MAGSAFE IPHONE 15 PRO PINK SAND

iPhone 15 Pro MagSafe case

REF : NJ-NA53FA12

EAN : 8720574622331

EXISTS IN : BEIGE

DESCRIPTION :

A two-tone fabric in a playful and harmonious blend. Distinct lines traverse the surface in multiple directions, creating a dynamic, lively, and vibrant appearance. The fusion of light and dark tones adds depth and creates an almost three-dimensional effect.

Made from 98% post-consumer recycled polyester and 100% recyclable.

STRENGTHS :

- MagSafe

Enjoy the convenience of Apple's magnetic wireless charging and connection with all our cases.

- Drop-resistant from 2m

Only 2mm thick but tested to withstand a 2m drop according to Mil. Std 910H standard.

- More sustainable

Tone-on-tone cases feature a stunning biodegradable inner lining.

- FSC Packaging

Fully FSC paper packaging with a 100% GRS plastic hook.

COMPATIBILITY :

MagSafe, iPhone 15 Pro
