DESCRIPTION :

At DECODED, we are thrilled to introduce the Loop Stand Back Cover - a game-changing iPhone accessory that will transform the way you use your phone. Crafted from premium materials, this back cover boasts a sleek and stylish design that will elevate the look of your device. The Loop Stand Back Cover features a MagSafe ring that can be flipped out and rotated in any angle to provide a convenient stand and grip. With the ring, you can watch videos, make hands-free calls, or take stunning selfies with ease. The ring and hinge is crafted from a strong and durable aluminum material, ensuring that your phone stays securely in your hand. Designed with your phone's safety in mind, the Loop Stand Back Cover provides superior protection against everyday wear and tear. Its raised edges and shock-absorbing bumper will keep your phone safe from accidental drops and bumps. Upgrade your iPhone experience with the innovative Loop Stand Back Cover. With its unmatched style and functionality, this accessory is a must-have for any iPhone owner.

COMPATIBILITY :

MagSafe, iPhone 15
