DESCRIPTION :

The detachable wallet for iPhone 15 is a 2 in 1 solution for your iPhone & daily essentials. The interior provides a 3 card holder and sufficient space for bank notes and other essentials. The detachable back cover is fastened with integrated magnets providing an effortless connection to the wallet for optimal transition between wallet case and back cover. For the new iPhone 15 the detachable wallet will now include our premium fully wrapped leather back cover for a more premium and durable product. The newest edition of our Detachable Wallet now includes the MagSafe technology in the back cover part of the case. The built-in magnets will make sure your iPhone aligns perfectly. Just leave the case on your iPhone and snap on your MagSafe charger, or use it with other MODU accessories. The Detachable Wallet for iPhone 15 is made from premium full-grain leather from ECCO Leather® that ages and tells your story. Combining both functional and innovative design without compromise and sustainability.
