EXISTS IN : BLACK

DESCRIPTION :

Bluetooth Speaker with Iconic Transparent Dome and Themed Light Show.

Inspire your senses with enchanting lights that dance to the rhythm of the magnificent Harman Kardon sound. The iconic transparent dome of the Aura Studio 4 radiates a captivating diamond pattern that shines in all directions. Pair it with one of its 5 distinct animated themes to match the beat of your music. The lush visual atmosphere is as seductive as the powerful bass and clear, spacious audio of the speaker. Create memorable experiences by connecting the speaker to multiple mobile devices, so everyone can share their own ambiance. Plus, the Aura Studio 4 is made and packaged with eco-friendly materials, for the benefit of all.

STRENGTHS :

Magnificent Harman Kardon sound

Listen to music the way it was meant to be heard. Your music is reproduced with extreme precision thanks to the speaker's distinct channels and dedicated amplifiers, delivering every sonic detail with breathtaking clarity. Feel every beat from a 5.2-inch downward-firing subwoofer that powers deep, rich bass. And the wide soundstage from the 6-speaker array is the best way to experience your favorite songs live.

Unique diamond-effect lighting that dances to the music

The Aura Studio 4's exclusive transparent dome amplifies and diffuses elegant ambient lighting in all directions. Inspired by the beauty of the natural world, the diamond-effect lighting's shifting patterns and colors bring a sense of wonder to any space. Choose from 5 distinct animated themes to match the mood of your music and delight your senses.

Bluetooth audio streaming

Playlists are meant to be shared, which is why the Aura Studio 4 pairs with any mobile device for seamless wireless streaming.

Recycled materials

Listen greener. The Aura Studio 4 incorporates recycled aluminum, fabric, and plastic, and comes packaged in FSC-certified eco-friendly paper printed with soy-based ink.
