

**GO + PLAY 3 GREY**

Portable Bluetooth speaker

REF : HA-HKGOPLAY3GRYEP

EAN : 1200130001109

EXISTS IN : BLACK, GREY

**DESCRIPTION :****Elegant Design and Exceptional Sound, Inside and Out**

With its refined silhouette, high-quality aluminum handle, and tempered glass touch panel, the Harman Kardon Go + Play 3 speaker will be a feast for the eyes and even more so for the ears, thanks to its crystal-clear and precise 3-way stereo sound. Additionally, it automatically adapts to its new environment to ensure your music always sounds its best. The built-in battery with 8 hours of autonomy will accompany you throughout a workday, and the convenient USB charging port will prevent your phone from running out of juice in the middle of your playlist. Even if you find yourself on the other side of the table during your next conference call, the two built-in microphones will ensure you're heard loud and clear. Want even more? Wirelessly pair two Go + Play 3 speakers at your next party. The Harman Kardon Go + Play 3 speaker is always there for you.

**STRENGTHS :****Superior sound performance with three-way speakers**

The Harman Kardon Go + Play 3's three-way design delivers clear and detailed stereo sound. Its downward-firing 5-inch (12.7 cm) subwoofer produces deep and precise bass. Dual tweeters and midrange drivers ensure flawless vocal and instrumental reproduction, while an additional front-mounted passive radiator enhances impact.

**Exclusive design elegantly crafted with premium materials**

The Harman Kardon Go + Play 3 features a familiar shape, now enhanced with a responsive, fully intuitive tempered glass touch panel for this latest generation. The grille subtly catches the eye, and the high-quality aluminum handle—both elegant and durable—is ergonomically designed for effortless portability throughout the home.

**Built-in battery**

With its integrated rechargeable battery offering up to 8 hours of playtime, you can enjoy the Harman Kardon Go + Play 3 anywhere in your home and easily move it from room to room.

**Bluetooth audio streaming**

The Harman Kardon Go + Play 3 pairs seamlessly with two mobile devices at the same time. Share playlists and take turns enjoying music, all while experiencing enhanced dynamic sound.

**USB charging port**

Never worry about your phone running out of battery while listening to your favorite audiobook. The USB charging port ensures you and your device are always ready for anything.

**Auto-tuning**

Enjoy optimal sound wherever you go. Each time it's powered on, the Harman Kardon Go + Play 3 automatically calibrates to its new environment, guaranteeing the best possible sound no matter where you place it.

**Dual long-range microphones**

The built-in dual microphones provide long-range voice clarity, ensuring crystal-clear sound even when you're not standing next to the speaker.

**Wireless pairing**

Wirelessly pair two Harman Kardon Go + Play 3 speakers for more powerful stereo sound, both indoors and outdoors.

**Partly crafted from recycled materials**

The Harman Kardon Go + Play 3 features a speaker grille fabric woven from 100% recycled polyester yarn, a handle made with 90% recycled aluminum, and an internal and bottom housing crafted from 85% recycled plastic. It also comes packaged in FSC-certified paper printed with soy ink.
