12V 1.5A POWER SUPPLY

Power supply

REF : TI-ACC-9942

EXISTS IN : OTHERS

DESCRIPTION :

We all lose things over time, and power cables are no exception.

If you can't remember where you stored the power cable for your radio, don't worry. Our replacement power cords and adapters will have your radio up and running again in no time.

This 12V DC 1.5A power supply is compatible with the following products: Model Three, [Model Three BT](#), Albergo, Albergo+, [Music System Three](#), [Music System Three+](#), Model 10, and Model 10+.

The 12 V DC 1.5A power supply is **compatible with the new [Model One](#) and [Model One BT](#)**. To determine which power supply is right for you, please refer to the serial number on the back of your device. If the serial number begins with "H", this is the right power supply for you.
