

LIVE 670 NC BT BLUE

Bluetooth Noise-Canceling Headset

REF : HA-JBLLIVE670NCBLU

EAN : 1200130004759

EXISTS IN : BLACK, BLUE, BEIGE, WHITE

DESCRIPTION :

Listening, all day long

The JBL Live 670NC headphones offer powerful JBL Signature Sound in a comfortable supra-aural style. Adaptive Noise Cancelling with Smart Ambient technology allows you to immerse yourself in your music and eliminate distractions. Then, if you want to stay aware of the world around you, you can stay informed while still listening to your favorite playlist or even have a conversation without removing the headphones. Easily access your preferred voice assistant with a simple tap on the earcup to play a song, send a text to a friend, check the weather, and much more. You'll enjoy up to 65 hours (50 hours with BT+RBA activated) of streaming music. And if you still need more, a quick 5-minute charge gives you an extra four hours. The JBL Live 670NC can simultaneously connect to two Bluetooth® devices, so you never miss a call, even when watching a movie on your tablet.

STRENGTHS :

JBL Signature Sound and Surround Sound

In addition to the powerful JBL Signature Sound, the 40mm speakers offer immersive JBL Spatial Sound that transforms any stereo content from any device into virtual surround sound.

Bluetooth 5.3 with Low Latency Audio (*)

Wirelessly stream high-quality sound, even at lower bit rates, thanks to the latest Bluetooth technology. Audio mode gives you the best available sound, while Video mode ensures synchronization of sound and visuals for your movies and games.

Adaptive Noise Cancelling and Smart Ambient

With its four noise-detection microphones, Adaptive Noise Cancelling means zero distractions, whether you're focusing on work or diving into your music. And if you want to hear the world around you without removing your headphones, Smart Ambient will highlight ambient sounds.

Up to 65 hours* of battery life and fast charging

For extended listening, wirelessly connect for 50 hours and recharge the battery in just 2 hours with the USB-C cable. And if you're in a hurry, a quick 5-minute charge gives you an extra 4 hours of music.

Automatic Play and Pause

Take off the headphones, the music stops. Put them back on, the music resumes. It couldn't be simpler.

Ask Alexa or Google

Alexa or Google are always at your service. Activate your device's voice assistant with just its keyword or by pressing the earcup.

Multi-Point Connection

Effortlessly switch between Bluetooth® devices. Go from watching a video on your tablet to taking a call on your phone and never miss a moment.

Seamless Connectivity with Any Device

Whether you're using an Android or Windows device, it's easy to set up your headphones to automatically pair every time they're nearby. And with the new Google Finder service, if you ever misplace your headphones, you have a network of over 3 million Android buddies who will automatically help you find them.

2 Beamforming Microphones for Calls

Your friends, family, and colleagues will hear every word you say, even when you're outside and it's windy.

Comfortable Fabric Headband and Carrying Case

The comfort of foam ear cushions and the textured fabric headband in natural tones make this headphone comfortable and unique. And when you take it off, it easily folds up and is protected, and you can easily take it out of your bag.

JBL Headphones App

Control the playlist of your life. The free JBL Headphones app allows you to customize your headphone preferences, such as RBA customization, headphone behavior customization, or quickly set up incredibly realistic sound for your movies, music, and games.

Personi-Fi 2.0

The My JBL Headphones app allows you to customize your sound experience just for you. Just take the quick and easy hearing test, and it automatically sets up a ready-to-use personalized sound profile every time you put on your headband. That's it.

CHARACTERISTICS :

- Power Supply: 5 V, 1 A
- Frequency Response:
 - BT Mode: 20 Hz to 20 kHz
 - AUX Mode: 20 Hz to 40 kHz
- Impedance: 32 ohms
- Sensitivity: 100 dB SPL at 1 kHz
- Maximum Sound Pressure Level: 95 dB
- Microphone Sensitivity: -38 dBV/ Pa at 1 kHz
- Maximum Operating Temperature: 45 °C
- Bluetooth Transmitter Modulation: GFSK, $\pi/4$ -DQPSK, 8-DPSK
- Bluetooth Version: 5.3
- Bluetooth Profile Version: HFP v1.8, A2DP v1.4, AVRCP v1.6.2
- Bluetooth Transmitter Frequency Range: 2.4 GHz – 2.4835 GHz
- Bluetooth Transmitter Power: ≤ 10 dBm (Power Isotropic Radiated Equivalent, PIRE)
- Speaker Size: 40 mm dynamic speaker
- Weight: 219 g
- Battery Type: Lithium-ion battery (850 mAh/3.7 V)
- Charging Time: < 3 hours for a full charge
- Music Playback Time with BT enabled and RBA disabled: up to 65 hours
- Battery Life with Bluetooth enabled and RBA enabled: up to 50 hours
- Music Playback Time with BT disabled and RBA enabled: up to 40 hours
- Battery Life with RBA enabled: up to 28 hours
- Talk Time with RBA disabled: up to 33 hours
