DESCRIPTION :

Secure mounting, safer drives

This mount is crafted with ultra-strong 3M™ adhesive, which means the most secure mounting on any dashboard. The choice of 45mm or 70mm arm lengths ensures your phone is always in the perfect view.

Perfect mounting, anywhere

Whether it's in your car for your daily commute, or your baby's pram during long walks, this is the perfect phone mount for anyone, any time. The curved adhesive mount is designed for wherever you need your phone the most.

Secure & Flexible mounting head

The magnetic head of this adhesive mount is designed to provide ultra-strong magnetic hold for any phone (or phone case) compatible with MagSafe. The ball joint allows for customising the head angle to perfectly showcase your phone.

Power-up your adhesive mount

Experience uninterrupted navigation, music and phone calls by combining your adhesive mount with the Cygnett [MagMove](#) 5K Dual Magnet Power Bank (purchased separately). The [MagMove](#) has magnets on each side perfect for simultaneous mounting to the [MagDrive](#) and phone charging. ([link to magmove](#))
