

CYGNETT

MAGNETIC PRIVACY SCREEN PROTECTOR FOR MACBOOK PRO 13"

Privacy screen protector

REF : CY-CY4709CPTGL

EAN : 848116041452

EXISTS IN : BLACK

DESCRIPTION :

For your eyes only

Designed with a 4-way privacy filter, our PrivateShield screen protector is for your eyes only. Whether you're sending emails, browsing social media, or accessing bank accounts, this screen protector allows you to protect your sensitive and private information from unwanted eyes.

Instant snap, instant privacy

Simply place the privacy screen over the top of your MacBook and let the magnets attach seamlessly no need for messy tape or damaging adhesive. Easily remove and reattach at a moment's notice and embrace the flexibility of privacy, whether it be for working in a café or on-the-go.

Edge-to-edge protection

Easily apply the screen protector and your entire MacBook screen is defended against scratches and knocks, while maintaining optimal screen clarity.

STRENGTHS :

- Designed with a four-way privacy screen filter.
- Magnetically & instantly snaps onto your MacBook.
- Edge-to-edge protection from scratches & knocks.

COMPATIBILITY :

MacBook Pro 13" (2021 - M1), MacBook Pro 13" (2022 - M2), MacBook Pro 13" (2020 - USB-C)
