EXISTS IN : BROWN

DESCRIPTION :

BagPack is a backpack with a uniquely ingenious inflatable protective laptop airbag, that all stuffs neatly into its own front pocket for compact stowage.

Unlike anything you've seen before, the refreshingly innovative BagPack is designed for reliable, minimal, lightweight carry but also compact out-of-the-way storage. Perfect for the traveler or commuter looking to carry their gear securely without the bulk of a traditional backpack.

Made of ruggedly durable yet feather-light 210D nylon, the BagPack is designed to securely carry a full load of cargo while staying light on your shoulders.

STRENGTHS :

- Packs into front zipper pocket for compact stowage
- Inflatable TPU bladder sleeve provides laptop protection, bag structure, and back cushioning
- Highly rugged 210D nylon material resists wear for long product lifespan
- Lightweight fabric for comfortable carry and quick compression
- Comfortable contoured shoulder straps
- Easy grab zipper pulls for quick access to pockets and compartments
- Durable zippers stand up to repeated opening and closing
- Fits up to 16" laptops
- Retailers easily allowing more units displayed in the same square footage
