DESCRIPTION :

Thin, light, and easy to grip — this DECODED -designed back cover shows off the brilliant colored finish of iPhone 15 while providing extra protection. Crafted with a blend of optically clear recycled polycarbonate and flexible materials, the case fits right over the buttons for easy use. On the surface, a scratch-resistant coating has been applied to both the interior and exterior. And all materials and coatings are optimized to prevent yellowing over time. New this season for the clear back cover an all new iPhone 15 camera ring; this two layered anodised metal camera ring which features hand engraved Decoded branding. Like every DECODED-designed case, it undergoes thousands of hours of testing throughout the design and manufacturing process. So not only does it look great, it's built to protect your iPhone from scratches and drops.
