DESCRIPTION :

Premium quality, maximum protection. Protect your display from scratches and abrasions even in the most demanding environments with our Glass screen protector. Made with strong and durable 9H tempered glass for superior scratch resistance, an ultra-thin construction that delivers precision touch sensitivity, and pristine high definition surface clarity. Along with a special oleophobic coating repels natural skin oils; limiting fingerprints and smudges that can compromise image resolution. Your screen will always look clean, respond to your touch accurately, and deliver strong protection with the UAG Glass screen protector. Couple our tempered glass screen shields with one of our cases to experience unparalleled protection on all your adventures.
