DESCRIPTION :

The Civilian protective cases are designed to absorb and disperse the energy created during the collision of the smartphone with another surface. They protect your precious phone when it slips from your hands. Our laboratory-tested product is created by layering two shock-absorbing materials with a dynamic hexagonal pattern. This helps reduce the impact transmitted to your device during a collision.

STRENGTHS :

- Reinforced case made from ultralight materials
- Soft, shock-resistant interior
- Easy access to touchscreen and buttons
- Scratch-resistant wrap-around structure

CHARACTERISTICS :

Conforme aux tests de chute des standards militaires (MIL STD 810G 516.6)

COMPATIBILITY :

Samsung Galaxy S24+
