

140W GAN-ULTRA TRAVEL CHARGER + USB-C PD CABLE

140W GaN-Ultra Travel Charger + USB-C PD Cable

REF : XT-XVC2140

EAN : 8718182277418

EXISTS IN : WHITE

DESCRIPTION :

This GaN Ultra 140W travel charger is engineered to be more compact and powerful than ever. With its sleek design and multiport functionality, our GaN Ultra travel charger is your perfect companion for journeys, at the office, or at home.

With European, British, and American-style power plug options included, and the 240W USB-C PD cable (2m), you've got everything you need to power up your devices worldwide!

MULTI-PORT CHARGING FOR ALL YOUR DEVICES

Our 140W GaN Ultra travel charger is perfect for your travels, office, or home. The inclusion of four different ports ensures compatibility with a wide range of devices. The biggest one is the 140W USB-C PD3.1 EPR port. With this port, you can fast-charge an Ultrabook or even a MacBook. The two 65W USB-C PD ports provide high-speed charging for the latest smartphones, tablets, and USB-C Laptops. The 12W USB-A can be used to charge your peripheral devices. Simply plug everything in and power up!
