DESCRIPTION :

High-resolution sound with JBL Pure Bass. Available now.

Discover the JBL Tune 310C USB-C earphones. They are lightweight, comfortable, and compact. A pair of 9mm dynamic speakers ensures powerful JBL Pure Bass sound, while Hi-Res audio support ensures exceptional sound quality. A USB-C connection makes them compatible with a wide range of devices such as PCs, mobile phones, and gaming systems. Additionally, the three-button remote on the tangle-free flat cable allows you to control your music playback and adjust volume, equalizer presets, as well as easily answer calls with the built-in microphone. All of this makes the JBL Tune 310C USB-C earphones the ideal companion for everyday use, work, home, and on-the-go.
