DESCRIPTION :

It's time to live life to the full! The JBL Xtreme 4 delivers massive JBL Pro sound at the highest level, with incredible dynamics, even at the highest volume, thanks to two powerful bass drivers and two high-frequency drivers. JBL's dual-pumped passive radiators give you deeper bass that gets you moving. Want to take your music outside? The practical shoulder strap makes it easy while rugged rubber bumpers and IP67 protection against water and dust mean that a sudden downpour or a dip in the lake won't stop you having fun. When it's time to create an even greater audio experience, combine two Xtreme 4s for stereo sound. Or for your next party, use Auracast to connect the Xtreme 4 to any compatible JBL portable speaker, so your friends lounging by the pool can enjoy the same playlist as those chatting inside. 24 hours of autonomy and a convenient battery for your device mean you won't have to recharge it until the next morning. All this, plus the fact that it's made from recycled plastic and fabric. The JBL Xtreme 4 delivers thrilling sound wherever you are.
