High-end magnetic metal bracket

REF : UA-964443113636

EAN : 0840283913785

EXISTS IN : BLACK, BEIGE, GREY, GREEN, PINK, BLUE

DESCRIPTION :

Introducing UAG's iconic hexagon-shaped Magnetic Ring Stand. Seamlessly attach to your MagSafe-compatible case or device - thanks to our premium magnets offering an ultra-strong hold. Our multi-functional 360-degree rotatable ring grip slips on your finger for convenient one-handed texting, scrolling, and photography. Doubling as a kickstand you can prop up your phone for a landscape or portrait viewing angle perfect for hands free viewing. Durable and built to last crafted with a premium zinc casting and polished metallic coating. The collapsible sleek and slim design adds no bulk to your device, only utility. An essential accessory for your on the go lifestyle.
