

CYGNETT

ARMOURED 3.1 USB-C TO USB-A CABLE (1M) BLACK

USB-C to USB-A Cable

REF : CY-CY2679PCUSA

EAN : 0848116021157

EXISTS IN : BLACK

DESCRIPTION :

The Armoured Cable range is our most durable and robust cable design with the inclusion of DuPont Kevlar aramid fibre. The exterior double braiding allows the cable to resist abrasion whilst maintaining flexibility for ease of use. The combination of materials give a cable that is many times stronger than others on the market, being rated for over 20,000 cycles on bend testing with an 80Kg weight. The USB-C to USB-A lets you charge your USB-C devices as well as sync your photos, music and data to existing laptop.

STRENGTHS :

- Charge your iPhone safely (12W)
- Charge and synchronize your iPhone/iPad/Airpods
- DuPont® Kevlar® aramid fiber cable
- **5-year warranty**

CHARACTERISTICS :

- USB-C to USB-A Cable
- Material: Stainless Steel Housing with Kevlar® Core
- Length: 1 Meter
- Colour: Braided Black

COMPATIBILITY :

USB-C to USB-A
