CYGNETT

ARMOURED 2.0 USB-C TO USB-C CABLE (3M) BLACK

USB-C to USB-C Cable

REF : CY-CY3742PCTYC

EAN : 0848116031781

EXISTS IN : BLACK

DESCRIPTION :

The world's fastest USB-C charging speed

Supports higher power levels, up to 5A/100W turbo charging, so you can power your USB-C laptop, tablet, or smartphone at lightning speed.

Transfer and sync your files faster than ever

The Armoured 2.0 USB-C to USB-C cable allows you to enjoy transfer speeds of up to 480 Mbps, so you can quickly sync your photos, music, and data with your existing USB-C device.

DuPont™ Kevlar® Aramid Fiber

The Armoured cable range is our most durable and robust cable design, featuring the inclusion of DuPont™ Kevlar® aramid fiber. DuPont™ and Kevlar® are trademarks or registered trademarks of E.I. du Pont de Nemours and Company.

Metal alloy finish

Long-forged cable connectors made from a metal alloy provide refined aesthetics, strength, durability, and superior scratch resistance.

Double braided nylon

Our most robust cable design, the double outer braiding allows the cable to withstand abrasion while retaining flexibility for easy use. Cable connectors forged from a metal alloy provide refined aesthetics and superior scratch resistance.
