

ACADEMY FOLIO IPAD 10.2 (7/8/9TH GEN) BLACK POLYBAG

Reinforced folio for iPad

REF : MW-300099P

EAN : 3700313948941

EXISTS IN : BLACK, BLUE, RED

DESCRIPTION :

This reinforced folio partially made from recycled plastic ($\approx 35\%$) will be your ally to protect your iPad on a daily basis. IK06 and military STD-810H certified, your folio will withstand high temperatures, water splashes and shocks.

It's also easy to use, with a stylus slot and a 3-part flap that can be used in two different positions: one for watching videos, the other for writing. You can also personalise the back of your tablet with its transparent back.

STRENGTHS :

- * MIL-STD-810H certified : extreme temperatures, humidity, salt fog, sand, UV
- * IK06 certified: withstands a shock equivalent to a 20 cm drop from a 500g object
- * Made from recycled materials ($\approx 35\%$): back case and outer flap material
- * Multi-position support: read/view and write
- * Automatic standby function (ON/OFF)
- * Integrated Apple Pencil holder
- * Transparent back to personalise your iPad
