Case for iPad 10.9 (2022 - 10th generation)

REF : ST-222-425KX-01

EAN : 0618952512870

EXISTS IN : BLACK

DESCRIPTION :

Better comfort, more productivity. Dux Swivel makes working with an iPad even smarter – combining rugged protection, state-of-the-art ergonomics, and all the exceptional benefits expected from our flagship Dux cases. The 360 degree rotating stand gives multiple angles for typing and viewing, and the elastic strap provides security in the hand.

STRENGTHS :

- Rugged protection against bumps and scratches, while a clear polycarbonate back allows the iPad to shine through
- 360 degree rotating stand gives multiple angles for typing and viewing
- Sturdy elastic strap provides security in the hand
- Clear back panel allows for easy asset tagging
- Storage for Apple Pencil or Logitech Crayon
- Unobstructed access to all iPad ports and buttons
- Designed for those working in the service industry – perfect for restaurants, hospitals, retail or anywhere devices are handheld
- Removable, adjustable shoulder strap for additional security (sold separately)
