DESCRIPTION :

Our Plyo series combines reliable drop protection tested by the military with a modern and polished aesthetic, creating a beautiful armor and daily security for your phone. It features a lightweight construction of shock-absorbing TPU frame and PC back plate. The UAG armored case is equipped with a resilient shock-absorbing soft core and air cushioned corners to dampen impacts. The slim profile provides an excellent hand feel and allows easy slipping in and out of pockets or bags. An open hinge design maximizes device functionality. A powerful magnet integrated into the case ensures seamless attachment. Superior rugged protection with striking design.

STRENGTHS :

- Integrated magnetic module for enhanced durability. Compatible with MagSafe and most third-party wireless chargers, including Qi wireless charging. Compatible with Samsung Pay
- Open hinge design for maximum device functionality. Two-piece case design snaps securely (adhesive included to attach device to case)
- Anti-yellowing
- Raised perimeter. Easy access to touchscreen and ports
