

GLASS SHIELD SAMSUNG Z FOLD6

Glass Shield Samsung Galaxy Z FOLD6

REF : UA-24445511NA

EXISTS IN : CLEAR

DESCRIPTION :

UAG's double-reinforced tempered glass screen protector is designed to protect your screen from cracks, scratches, and abrasions. It successfully passes a steel ball drop test from heights up to 1.8 meters. The ultra-thin construction provides highly responsive precision touch sensitivity and impeccable HD surface clarity. An oleophobic coating repels natural skin oils, reducing fingerprints and the accumulation of smudges that can compromise image resolution. Specifically designed to perfectly fit UAG cases, it includes an applicator and cleaning kit for easy installation. Keep your screen pristine, responsive, and well-protected with the UAG Glass Shield screen protector.
