

GEMSHHELL IPHONE 16 PRO

case for iPhone 16 Pro

REF : SP-150708-5085

EAN : 840168541058

EXISTS IN : CLEAR

DESCRIPTION :

Protect your phone in eco-friendly style with our next-gen classic GemShell®, the case that boasts a transparent, slim design with dual-layer protection for 8ft drops. Made from scratch-resistant, and anti-yellowing plastics, it features built-in antimicrobial product protection to keep your case clear, fresh, and protected.

STRENGTHS :

Dual-Layer Protection:

Durable polycarbonate shell with impact-absorbing cushioning for slim, pocket-friendly protection.

Built for Big Drops:

Withstands drops up to 8 feet for extra confidence.

Sustainability Commitment:

SPECK ECO reduces our environmental impact.

Long-Lasting Clarity:

UV protection prevents yellowing, keeping your case clear.

Slim, Wireless-Charging Ready:

Durable yet thin enough for wireless charging.

Screen Protection:

Raised bezel helps prevent screen cracks when dropped face-down.

Antimicrobial Protection:

Reduces bacteria growth for a cleaner surface.

Third-Party Tested:

Independently tested for drops, chemicals, and interference.

Lifetime Warranty:

GemShell® Grip is backed by a lifetime warranty.

COMPATIBILITY :

MagSafe, iPhone 16 Pro
