

## NOMAD

### RUGGED CASE IPHONE 16 PRO MAX ATLANTIC BLUE

MagSafe-compatible case

REF : NM-NM01379485

EAN : 856500013794

EXISTS IN : BLACK, BLUE, BEIGE, GREEN

## DESCRIPTION :

Rugged Case allows you to embark on adventures with confidence. A durable polycarbonate frame and reinforced bumpers absorb shocks and provide 15-foot drop protection. The matte PET backplate is smooth and provides a secure grip.

## STRENGTHS :

- Thick and durable TPU bumpers
- Protection against 5-meter drops
- Matte finish resistant to fingerprints and scratches
- Two attachment points for a strap
- Note: Cord not included

## CHARACTERISTICS :

### Drop Protection

A durable polycarbonate frame and fortified corner bumpers absorb shock and offer 15 foot drop protection.

### Protective Design

Raised corner bumpers allow your iPhone to lay flat on any surface while protecting your iPhone's camera.

### MagSafe Compatible

Rugged Case is built with an integrated array of ultra-thin Nickel-plated Neodymium magnets to maximize MagSafe functionality and facilitate fast charging.

**COMPATIBILITY :**

MagSafe, iPhone 16 Pro Max
