RUGGED CASE IPHONE 16 PRO ATLANTIC BLUE

MagSafe-compatible case

REF : NM-NM01382485

EAN : 856500013824

EXISTS IN : BLACK, BLUE, BEIGE

DESCRIPTION :

Rugged Case allows you to embark on adventures with confidence. A durable polycarbonate frame and reinforced bumpers absorb shocks and provide 15-foot drop protection. The matte PET backplate is smooth and provides a secure grip.

STRENGTHS :

- Thick and durable TPU bumpers
- Protection against 5-meter drops
- Matte finish resistant to fingerprints and scratches
- Two attachment points for a strap
- Note: Cord not included

CHARACTERISTICS :

Drop Protection

A durable polycarbonate frame and fortified corner bumpers absorb shock and offer 15 foot drop protection.

Protective Design

Raised corner bumpers allow your iPhone to lay flat on any surface while protecting your iPhone's camera.

MagSafe Compatible

Rugged Case is built with an integrated array of ultra-thin Nickel-plated Neodymium magnets to maximize MagSafe functionality and facilitate fast charging.

COMPATIBILITY :

MagSafe, iPhone 16 Pro
