DESCRIPTION :

Keep the party going twice as long with the JBL Battery 400

Even the best parties come to an end, but your JBL PartyBox Stage 320 can keep the vibe alive twice as long with a spare JBL Battery 400 at hand. When your rechargeable battery runs out, it only takes a few seconds to insert a fully charged battery into the rear panel slot. With each battery offering 18 hours of playtime, you can party for a full 36 hours. Double the fun and enjoy the peace of mind that comes with an official JBL battery. It can also replace the rechargeable battery inside a JBL Xtreme 4 wireless Bluetooth™ speaker when it starts to degrade. Each battery comes in FSC-certified packaging, printed with soy ink.

STRENGTHS :

- A good host always has a spare battery
