Great sound for a great day

Get personalized sound without ever looking at your phone. Use the Smart Charging Case™ controls of the JBL Live Beam 3 wireless earbuds with noise cancellation and high-resolution audio to customize all their features without opening the JBL app on your device. Adjust the volume and equalization, browse through your favorite tracks, answer phone calls, check your messages... you can even personalize the background with your favorite photos. And that's even before enjoying the exceptional JBL Signature Sound of the Live Beam 3 earbuds. The best-in-class Adaptive Noise Cancellation eliminates distractions. JBL Spatial Sound makes movies and music truly immersive. If someone calls you, six microphones ensure perfect sound quality, even in the noisiest environments. That's not all—the earbuds can enjoy 48 hours of charge: 12 hours in the earbuds* and an additional 36 hours in the case. They can even be charged wirelessly! The charging case features a loop to attach a strap for even more convenience. Enjoying exceptional sound has never been easier. (*with ANC disabled)
