Good sound for a good day

Get personalized sound without even looking at your phone. Use the controls on the JBL Live Buds 3 wireless earbuds' Smart Charging Case™ with noise cancellation and high-resolution audio to customize all their features without needing to open the JBL app on your device. Adjust the volume and equalization, navigate through your favorite tracks, take phone calls, check your messages... you can even personalize the wallpaper with your favorite photos. And that's even before we talk about the exceptional JBL Signature Sound of the Live Buds 3. The best-in-class Adaptive Noise Cancellation eliminates distractions. JBL Spatial Sound makes movies and music truly immersive. If someone calls you, six microphones ensure perfect sound quality, even in the noisiest environments. That's not all, the earbuds offer 40 hours of charge: 10 hours in the earbuds* and 30 additional hours in the case. They can even charge wirelessly! The charging case is equipped with a loop to attach a strap for added convenience. Enjoying exceptional sound has never been easier. (*with ANC disabled)
