Bring a festive vibe to your party

An unforgettable party doesn't just produce amazing sound; it also needs to be extraordinary. You can now create your own immersive environment with the JBL PartyLight Beam. This light wirelessly syncs with your JBL PartyBox speakers to project colorful and kinetic party light large enough to cover a big room, onto any wall or ceiling. (And if you're partying in an even larger space, you can sync multiple PartyLight beams to create a choreographed light show in less than a minute.) Adjust the angle to center the light show wherever you want, and let the vibrant colors adapt to the energy of your party throughout the night, from mellow ambiance to epic dance beats, culminating in pure revelry when your party is in full swing. Quickly and easily control movement, speed, and intensity settings with the JBL PartyBox app. Elevate your party space to the next level with the unbeatable combination of the JBL PartyBox and the JBL PartyLight Beam.
