Amplify Your Performance

Stay focused and ready to move with the JBL Endurance Race 2 wireless sport headphones. With a battery life of 48 hours* and an IP68 waterproof and dustproof design, they are built to keep performing at full power even in the toughest training conditions. Their superior fit, optimal waterproofing, ear stability, and all-day comfort will keep you active from the beach to the conference room. The powerful 6.8mm dynamic speakers deliver JBL Pure Bass sound. Stay focused with Active Noise Cancellation, while Smart Ambient technology allows you to be aware of your surroundings. Adjust the Sport mode settings based on your training intensity by selecting one of the six default settings in the JBL Headphones app, or customize your own. And with the ability to make crystal-clear calls wherever you are, you'll stay connected to the world no matter where your training takes you. (*with RBA function disabled)
