Exceptional Sound, Volume-Limited

The JBL Junior 320BT wireless on-ear headphones introduce a whole new generation of kids to JBL sound, with volumes that are safe for their ears. It won't exceed 85 dB, ensuring young music lovers avoid dangerous sound levels. Additionally, you can use the JBL Headphones app to customize the maximum volume and daily listening time, as well as receive daily and weekly reports on your child's listening habits. Designed for young children, the JBL Junior 320BT headphones are comfortable to wear, with oversized controls that are durable and easy to use, even for the smallest hands. The 50-hour battery life ensures long-lasting use, while the integrated microphone allows kids to easily chat with their family, friends, or teachers. They come in three attractive colors and include a set of JBL stickers so your little rockstars can personalize their look. Exceptional sound has no age limit.
