

LINQ

240W GAN2 DESKCHARGE WHITE/GREY

Multi-device wall charger

REF : LQ-LQDC240

EAN : 8720574622751

EXISTS IN : WHITE

DESCRIPTION :

The LINQ 240W DeskCharge is an exquisite multi-port adapter featuring top-tier technology and design. The four USB-C Power Delivery 3.1 ports charge your high-performance devices ultra-fast and seamlessly. The intelligent LogiQ technology intuitively distributes the total maximum power of 240W optimally across the four different ports. The stunning minimalist Danish design in off-white and space gray aluminum pairs perfectly with your Apple products. Wherever life takes you, the LINQ 240W DeskCharge meets all your charging needs with style and precision.

STRENGTHS :

- Transform a power outlet into four ultra-fast connections
- 4x 140W single output
- 240W total combined power
- LogiQ USB-C PD 3.1 technology for superior charging speed
- Efficient and compact thanks to GaN2 technology
- Danish craftsmanship and reliability
- 1m power cable included
