DESCRIPTION :

Discover **Native Union**'s refined Qi2 charger, offering you the best of everything: whether it's the choice to charge flat or standing, the versatility to charge your iPhone and a range of Qi-compatible devices, and much more. Powerful charging, wide compatibility, and customizable details to create a charging setup tailored to you and your space.

Why did **Native Union** create it?

This elevated single-device charger features a Qi2 upgrade—and more. **Native Union** didn't just want to offer faster, more advanced charging; they also wanted a more personal touch. That's why they introduced a folding element for added flexibility. Whether you prefer a pad or a stand, you get both in a modern finish that looks great anywhere in your space.
