SCANWATCH NOVA BRILLIANT EDITION 39MM TITANIUM GREY

Next-generation hybrid connected watch

REF : WI-HWA10-MODEL10

EAN : 3700546710261

EXISTS IN : GREY

DESCRIPTION :

Discover the ScanWatch Nova Brilliant Edition, the perfect blend of cutting-edge technology and timeless elegance. This engineering masterpiece combines clinical power with sophisticated design, offering you a complete health experience right on your wrist. With its phenomenal 30-day battery life and exceptional finishes, the ScanWatch Nova not only enhances your health but also elevates your style. Developed in collaboration with renowned clinical institutions, this technological gem provides you with crucial insights into your cardiovascular, respiratory health, and much more. Whether you're swimming, working, or attending an elegant dinner, the ScanWatch Nova Brilliant Edition is your ideal companion for an active and healthy life.

STRENGTHS :

1. Cardiovascular health:

- Medical-grade ECG to detect atrial fibrillation
- Continuous heart rate monitoring
- Irregular heart rate notifications

2. Body temperature monitoring:

- Continuous measurement of temperature variations day and night
- Temperature zones during training

3. Respiratory health:

- SpO2 measurement (blood oxygen saturation)

- Monitoring of nocturnal respiratory disturbances

4. Sleep analysis:

- Sleep quality score
- Tracking phases, duration, and depth of sleep

5. Physical activity tracking:

- More than 40 automatically recognized activities
- Connected GPS for distance, pace, and elevation
- Heart rate zones during training
- Estimation of VO2 max

6. Premium design:

- Scratch-resistant sapphire glass
- Stainless steel case
- Water resistance up to 5 ATM
- Ceramic bezel
- Super-LumiNova luminescent hands and indexes

7. Advanced technology:

- New TempTech24/7 module for precise temperature measurement
- Next-generation PPG sensors with 4 wavelengths
- HealthSense™ operating system with integrated machine learning

8. Long-lasting battery:

- Up to 30 days of battery life
- Charging time of just 2 hours

9. Compatibility and connectivity:

- Compatible with iOS and Android
- Synchronization with Apple Health, Google Health Connect, and Google Fit
- Unlimited storage of health data in the cloud

10. Menstrual cycle tracking:

- Recording phases, symptoms, and moods directly on the watch

The ScanWatch Nova Brilliant Edition is the pinnacle of innovation in health and style, offering a complete health tracking experience in an elegant and timeless design.
