

BOOMCARD BLACK

Finder made from plastic sourced from the ocean

REF : BP-TACARD

EAN : 5060746170301

EXISTS IN : BLACK

DESCRIPTION :

A credit card-sized tracker, designed to fit inside a wallet but also equipped with a unique hole that allows you to attach it to a bag or other personal belongings, is constructed from recycled ocean plastic and pairs effortlessly with Apple's Find My app. Never lose your belongings again while making a positive impact.

STRENGTHS :

Boomcard attaches to your stuff and uses the Apple 'Find My' app to help you find them.

Seamless Find My App Integration: Boomcard effortlessly syncs with the Find My app on your Apple smartphone, allowing you to track your items with precision, providing real-time location updates directly on your phone.

It's good to have help!

If you happen to misplace your item when you're far from home, the Find My app relies on a vast community of hundreds of millions of iPhone, iPad, and Mac devices worldwide to assist you in tracking down your belongings.

Under your nose

Running late for work and can't find your wallet? No worries, grab your phone, open the Find My app, and activate your Boomcard smart tracker, with a 94dB alert, to quickly locate them.

That will do nicely

Boomcard is designed to seamlessly fit into your wallet, offering a discreet yet powerful solution to locate your belongings. Boomcard also has a convenient hole so you can easily attach it to many of your prized possessions. Equipped with cutting-edge Bluetooth technology, Boomcard syncs effortlessly with the 'Apple Find My' app, allowing you to track the whereabouts of your wallet, keys, or any other valuable item.
