DESCRIPTION :

Tired of constantly misplacing your valuables? Say goodbye to the incessant search for your keys, wallet or any other important object. Thanks to this colorful, tactile Boomtag pocket tracker, you can effortlessly find your belongings, thanks to easy tracking with the Find My app.

With the Boomtag, you're also contributing to a more sustainable future, thanks to its manufacture from recycled ocean plastic.

STRENGTHS :

Boomtag attaches to your stuff and uses the Apple 'Find My' app to help you find them.

Seamless Find My App Integration: Boomtag effortlessly syncs with the Find My app on your Apple smartphone, allowing you to track your items with precision, providing real-time location updates directly on your phone.

It's good to have help!

If you happen to misplace your item when you're far from home, the Find My app relies on a vast community of hundreds of millions of iPhone, iPad, and Mac devices worldwide to assist you in tracking down your belongings.

Under your nose

Running late for work and can't find your wallet? No worries, grab your phone, open the Find My app, and activate your Boomtag smart tracker, with a 94dB alert, to quickly locate them.
