SMART VIDEO DOORBELL G4

Aqara G4 Doorbell with AI Face Recognition and Free Cloud Storage

REF : AQ-SVD-C03

EAN : 6970504218659

EXISTS IN : GREY

DESCRIPTION :

Aqara G4 is a unique video doorbell that can be wired or battery-powered. It is also the first battery-powered option to work with Apple's HomeKit Secure Video and supports streaming to Google and Alexa smart displays, featuring local AI used for facial recognition alerts, automations, and much more.

STRENGTHS :

- **Local AI Face Recognition:** The Aqara doorbell uses a built-in local face recognition algorithm to quickly identify visitors, notify you via app, and trigger automations based on specific individuals. Even without internet, recognition still works.

- **Works with Apple Home and More:** The world's first battery-powered HomeKit Secure Video doorbell. It supports streaming to Apple devices and connects to Google, Alexa, and Yandex Smart Home for automation.

- **Free Cloud and Local Storage:** Aqara G4 offers 7 days of free cloud storage and local microSD card storage for added security and convenience, with plans for future NAS storage options.

- **On-Demand Video and Two-Way Talk:** View and communicate with visitors from anywhere with live video and two-way audio. The 162° wide-angle, 1080p HD video, and IPX3 waterproofing ensure high-quality performance in all conditions.

- **Battery and Wired 2-in-1:** The G4 offers up to 4 months of battery life with 6 batteries or can be hardwired for continuous use with a 12-24V AC or 8-24V DC transformer.

- **Chime-Repeater Included:** Comes with an indoor Chime-Repeater featuring a 95 dB speaker and USB-C for flexible placement. It can also be powered by a powerbank or mini-UPS for backup.

- **Voice Changing Option:** Unique voice-changing feature allows you to select different voices (e.g., robot, clown) for added privacy and fun.

- **Support Do Not Disturb Mode:** Customize ringing volume and duration. When enabled, the doorbell remains silent during Do Not Disturb mode.

- **Personalized Custom Ringtones:** Upload custom ringtones for the doorbell or repeater. Automate ringtones based on specific conditions, such as identifying visitors.

- **Various Abnormal State Alarms:** Get alerts for unusual events like forced disassembly, extreme temperatures, low battery, and more, for enhanced security.

- **Set Masking Area:** Protect privacy with up to 3 designated masked areas on the screen, ideal for apartment living.

* Requires a Zigbee Hub for full automation and smart device integration.

** HomeKit Secure Video requires a supported iCloud+ plan and compatible Apple devices.

*** iCloud or third-party cloud storage sold separately.

**** Battery life estimate assumes 35 wake-ups and 6-second event recordings daily.

***** MicroSD card not included.

****** Ideal installation in shaded areas like porches.

Automations:

1. Contactless Doorbell for Maximum Safety: Set up automation to play a custom ringtone when an unknown person is detected, triggering the doorbell to ring without touching it.

2. Automations Triggered by Face Detection: Automate smart home actions based on the detection of family members, guests, or pets.

3. Aqara Home Alert System Integration: Use the G4 as part of your home security system, with a 95 dB siren that alerts you to events like break-ins, vibrations, or water leaks.

CHARACTERISTICS :

- **Power source:** Battery powered
- **Battery type:** Alkaline
- **Batteries (doorbell):** 6 AA 1.5V batteries (included)
- **Repeater power supply:** 5V/1 A USB-A to USB-C power line
- **Connectivity protocol:** Wi-Fi 2.4 GHz, IEEE 802.11b/g/n 1T1R
- **Compatible platforms:** Aqara, Apple Home, Alexa, Google Home, IFTTT
- **Video capture resolution:** 1080p
- **Video capture format:** MPEG-4
- **Special features:** Local recording support up to 512 GB on microSD card
- **Field of view:** 162° (subtended angle)
- **External power connection:** 12 V-24 V CA 0.2 A 50/60 Hz 8 V-24 V CC 0.5 A
- **Color:** Dark gray
- **Net weight (doorbell):** 0.36 pounds/0.16 kg
- **Net weight (repeater):** 0.15 pounds/0.068 kg
- **Gross weight:** 1.21 pounds/0.55 kg

- **Product dimensions (doorbell):** 5.57 x 2.56 x 1.2 inches (141.5×65×30.4mm)
- **Product dimensions (repeater):** 2.57 x 2.56 x 1.12 inches (65.2×65×28.4mm)
- **Operating temperature:** -18°C ~ C26 (-0.4°F ~ 122°F)
- **Operating humidity:** 0 ~ 95% HR, no condensation
