27" 4K Touch Monitor with Webcam and Built-in USB Hub
8 ports in 1

REF : AL-27C4KPDWT

EAN : 9350784027139

EXISTS IN : BLACK

DESCRIPTION :

Clarity Pro is an exceptional monitor for digital artists who need absolute confidence in their work. This 27-inch 4K studio-quality display showcases your creations in perfect color, while its retractable 8 MP webcam ensures you always look your best. Its rear USB hub helps declutter your studio, letting you connect your entire workstation with a single cable so you can focus on what really matters: your next masterpiece.

STRENGTHS :

Intuitive Touch Experience

- **Simplified Navigation:** Quickly access the touch menu by sliding two fingers from the lower right corner.
- **Optimized for Your Apps:** Transforms the way you interact with your favorite tools.

8 MP Retractable Webcam

- **Crystal Clear Quality:** Present yourself with a sharp, professional image.
- **Adjustable Angle:** Easily adjust the angle with a wheel at the back, ensuring perfect framing.
- **Enhanced Privacy:** The webcam is visible only when you want it to be.
- **Compatibility:** Works with all your favorite video conferencing apps.

Exceptional 4K Display

- **Resolution and Colors:** 27-inch screen offering over a billion colors with a brightness of 350 cd/m² and impressive HDR contrast.
- **Designed for Creators:** Ideal for showcasing your work with precise colors and stunning details.

Built-in USB Hub (8 ports in 1)

- **Available Ports:** USB-A, USB-B, USB-C, HDMI, DisplayPort, audio output.
- **Clutter Reduction:** Connect your entire workstation with a single cable.

Ergonomics and Flexibility

- **Adjustable Stand:** Pivot, tilt, and rotate for optimal comfort.
- **Landscape/Portrait Modes:** Easily switch between modes with an intelligent rotation sensor.
- **IPS Technology:** Wide viewing angle up to 178°, perfect for team collaboration.

Designed for Productivity and Comfort

- **Robust Stand:** Made of aluminum, ensuring stability and ease of positioning.
- **Versatility:** Ideal for all types of content, from vertical videos to complex creative projects.
