DESCRIPTION :

Echelon USB-C Rechargeable Wireless Mouse and Keyboard - Designed for Professionals

Boost your productivity with the Echelon wireless keyboard and mouse set, ergonomic, efficient, and practical for everyday work.

STRENGTHS :

- **Slim and lightweight design:** Perfect for modern workspaces and home offices.
- **Full-size, comfortably spaced keys:** For comfortable and precise typing, ideal for long document creation.
- **Ergonomic mouse:** Designed for optimal comfort, even after long hours of use, preventing hand cramps.
- **Custom shortcuts:** Easily access "Cut," "Copy," and "Paste" with dedicated keys above the Numpad.
- **Switch between three devices with ease:** Move from one device (laptop, phone, tablet) to another with just one click.
- **USB-C rechargeable battery:** Weeks of use on a single charge—no more hassle of changing batteries.
