DESCRIPTION :

The Plyo Pro Series Galaxy case offers elegant everyday protection with a sleek and lightweight design. This Galaxy case features a shock-absorbing TPU frame combined with a durable polycarbonate back plate, providing robust protection without bulk. The UAG armor shell and shock-resistant soft core protect your device from drops and impacts, while scratch-resistant non-slip pads and air-cushioned corners add extra padding for increased security. Thanks to anti-yellowing technology, the Plyo Pro series maintains lasting clarity, allowing your phone's true color to shine through. Our built-in magnetic module securely locks your device when using wireless chargers or other magnetic accessories.

STRENGTHS :

- **Magnetic Module:** Compatible with MagSafe, Qi, and most wireless chargers and magnetic accessories. Supports Samsung Pay.
- **Anti-yellowing:** Thanks to anti-yellowing technology, the case maintains long-lasting clarity.
- **Light and Durable:** Lightweight construction with a shock-resistant soft core for reliable protection.
- **Enhanced Shock Resistance:** Reinforced TPU bumpers absorb and disperse impacts to protect your phone from drops and shocks.
- **Lanyard Anchor Points:** Built-in lanyard attachment points for added security and convenience (lanyard not included).

- **16-Foot Drop Protection:** Independently tested to withstand drops up to 16 feet (4.8 meters), ensuring your device stays safe even in the toughest conditions. Passes 3X military drop-test standards (MIL-SPEC 810G-516.6).
