DESCRIPTION :

SAFE. is here to protect your phone from drops, scratches, and daily mishaps. Made with 60% recycled material, this PanzerGlass® screen protector absorbs impacts while maintaining your phone's look and functionality. It features a smudge-free coating, reduces fingerprints, and works with your screen's ultrasonic fingerprint reader.

SAFE. is also about sustainability. We've reduced paper packaging by 33%* and use FSC™-certified recyclable materials. Protect your phone and the planet with SAFE.

Installation is easy with the included EasyAligner and step-by-step instructions. Once applied, you'll never fear your phone dropping screen-first again. This screen protector has an Ultra-Wide Fit, covering your screen and leaving space for a SAFE. by PanzerGlass® case. For 360-degree protection, pair it with a camera lens protector.

*Measured by third-party lab comparing the 2023 and 2022 paper packaging.
