DESCRIPTION :

The Monarch Pro series is the ultimate choice for those seeking a rugged, all-terrain protective case for your Samsung with magnetic charging capabilities. Designed for the toughest environments, the Monarch Pro case features an integrated magnetic module for wireless charging, ensuring your device stays powered and ready for anything. Made with premium materials, the Monarch Pro provides unmatched protection thanks to its innovative 5-layer construction:

- **Shock-Resistant Core:** Absorbs and disperses impacts to protect your phone from accidental drops.
- **Signature Armor Frame :** Finished with your choice of premium leather or carbon fiber for enhanced durability and a distinctive, sleek look.
- **Polycarbonate Shear Plate :** Adds rigidity and resistance to scratches, dents, and everyday wear.
- **Shock-Resistant Rubber Surround :** Provides extra cushioning against bumps and impacts.
- **Magnetic Module :** Compatible with MagSafe, Qi, and most wireless chargers and magnetic accessories. Supports Samsung Pay.

STRENGTHS :

- **Profilled Peripheral Border:** Designed with a non-slip grip for secure and easy handling.

- **Oversized Touch Buttons:** Ultra-responsive oversized touch buttons offer a crisp click feel.
- **Leash Anchor Points:** Integrated leash anchor points for added security and convenience (leash not included).
- **25-Foot Drop Protection:** Independently tested to withstand drops from up to 25 feet (7.6 meters). Meets military drop test standards 5X (MIL STD 810G 516.6).
