DESCRIPTION :

Discover the ultimate travel companion that magnetically snaps onto the back of your phone for effortless wireless charging. Designed for those on the go, this power bank provides up to 2 wired charges or 1.5 wireless charges, all while weighing just 189 grams—delivering essential power without the bulk. Whether you're exploring new cities or heading out on a weekend getaway, stay connected and powered up.

STRENGTHS :

Snap & Charge – Ready to Use

Thanks to its powerful built-in magnets, MagSlim instantly attaches to the back of your phone and starts recharging its battery. The magnets ensure perfect alignment for a seamless and secure wireless charging experience.

20W USB-C Port

The 20W USB-C port allows you to charge other devices or speed up your phone's charging by using a cable. It is also used to recharge the power bank itself.

Travel Light, Stay Powered

Weighing only 189 g and measuring just 15 mm thick, this power bank easily fits into your bag or pocket without adding bulk.

Track Your Power Level

The digital display precisely shows the remaining battery level and helps you monitor the recharging progress up to 100%.

MagSafe & Qi Compatibility

Compatible with phones and cases that support MagSafe or Qi magnetic wireless charging, including iPhone 12 and later models.
